Revs 29-25-2

To

The Secretary to the Government of His Highness
the Maharaja of Mysore, Local & Legislative Departments,
Bangalore.

Sir,

I have the honor to forward herewith a copy of letter No.C.44-L-B.(25-26), dated 8/11th July 1925, from the President, District Board, Mysore District, bringing to notice the urgent necessity for the establishment of Local Fund Dispensaries, one at Kagalvadi in the Chamarajanagar Taluk and another at Halgur in the Malavalli Taluk of that District, together with a copy of the Board's resolution passed at their meeting held on the 18th April 1925, agreeing to provide for the District Fund quota of the cost of the institutions.

Although the keenness shown by the District Board in ~~having~~ having two dispensaries to meet the needs of the inhabitants in the most unhealthy portions of the two Taluks deserves every consideration, yet as the amount provided in the Medical Budget for opening new dispensaries, under "(xiii) L.F.Dispensaries" is only Rs.5,000/- from which similar demands from the other Districts will have also to be met, I would recommend the opening of only one Dispensary this year, the other being put off till the next official year.

As Chamarajanagar is the more unhealthy of the two ~~Taluk~~ Taluks, preference may be given to the opening of a dispensary at Kagalvadi this year, which may kindly be sanctioned, at an initial and recurring cost as noted in the margin, the District Fund ~~shar~~

share of the cost being met from the provision made by the District Board, and the State share from the provision o f Rs.5,000/- made under "21. Medical, (xiii) L.F.Dispensaries" referred to above.

To facilitate a speedy disposal of the question I have this day requested the President of the District Board to obtain and communicate to Government direct, the Resolution of the District Board agreeing to meet the initial and recurring cost as detailed above, including the rent, if any, of the buildings for the location of the dispensary and quarters for the staff, till buildings of the type design are constructed by Government.

As regards the remark in the Board's Resolution against Halgur that "the latter has already been sanctioned" I may say that it only means that Halgur was included in the programme of new dispensaries recommended by the Special Committee for the extension of medical aid in rural areas, which was generally sanctioned by Government in G.O.No.G.26855-65-Med. 70-18-28, dated 31st May 1920, to be "given effect to as funds became available" and not that the opening of the dispensary had been separately sanctioned. In that programme a dispensary had been allotted also to the Chamarajanagar Taluk, the place selected being Ummathur, instead of which the Board have now selected Kagalvadi, which may be approved.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Letter No. 44 /L.B. dated 13th July 1925 from the President, District Board, Mysore, to the Senior Surgeon in Mysore, Bangalore.

I have the honour to state that it was resolved by the District Board at their meeting held on the 18th April 1925 that two Local Fund Dispensaries should be opened, one at Kagalvadi in the Chamaraj nagar Taluk and the other at Halagur in the Malavalli Taluk during the year 1925-26 and that necessary provision to meet the District Fund Quota of the cost has been made in the Budget Estimates of the District Board of Mysore for the current year. In enclosing an extract from the Proceedings of the District Board, I request that sanction of the Government may be kindly obtained to the Board's resolution.

There is real and urgent necessity for the establishment of Local Fund Dispensaries at the above two places as the neighbourhood is not within easy reach of the existing dispensaries at the respective Taluk Head Quarters, being cut off by the Suvarnavathi and the Shimsha.

Sir,

I have the honour to state that the subject of opening ~~a~~ new Local Fund Dispensaries at Nagalvadi in the Chamarajanagar Taluk and Malagur in the Malavalli Taluk during the year 1925-26 was placed before the District Board at their meeting held on the 18th April 25 when it was resolved that the District Board quota might be provided. A copy of this resolution was sent to the Senior Surgeon with the Government of Mysore with a request that sanction of the Government may be obtained in the matter. He has stated in Reply in his letter No.C.139-2 dated the 3rd August 25 that for want of sufficinet provision in the medical budget he has ~~he has~~ recommended to Government for sanctioning the opening of only one dispensary at Nagalvadi in the Chamarajanagar Taluk. In the matter of meeting the initial and recurring charg including the rent of the building required for the purpose he has requested me to forward to Government direct a resolution of the Board to meet these charges in order to facilitate a speedy disposal of the case by Government.

In enclosing accordingly a copy of the above resolution of the District Board, I have the honour to request that early orders of the Government may be kindly obtained in the matter.

The lump sum provision of Rs.4000 made under "D.11. Other items-Miscellaneous" in the current year's budget estimates of the District Board of Mysore, included Rs.2500 for meeting the District Fund quota of the cost of opening new Local Fund Dispensaries in the District during the current year.
